CLASS PROPHECY

Know ye all by this, that the following was whispered by the winds into the shell pink ears of the two class clairvoyants, Donald "See All" Davidson and Joseph "Hear All, Tell All" Morgan.

The sequence of visions into the future went thus:. . . . .The scene opened foggily as we footed along through the milling crowd. . . . .As we looked to the right we saw Joyce Baily exhibiting her home made fudge at a large stand, while on the other side Katherine Boley was giving out free dinner tickets to the grand opening of Katie B's Stop 3. . . . .A little farther on we saw Bob Clay demonstrating the '64' Ford for brother Bill's Ford Emporium. . . . .Don Davidson was in close competition, with his '64' Dodge which he was demonstrating for his own concern. . . . .At the next booth we saw an exhibition of trained ducks run by Nancy Cumbow. . . . .A little farther on we saw Joe Morgan selling insurance to a flock of odd women. . . . .Beverly Murray was there in person to advertise Bev's Drive Inn and Three Minute-Laundry Service, the biggest cleaning establishment in Central Arabia. . . . .A little farther on we saw Pat Holzapfel now a Lutheran missionary autographing her book, "A South Korean Speaks His Mind" or "If the Commies Aren't Near". . . . .We see that Carolyn Osborn and Marcella Snoke are world renowned designers of Bikini Bathing Suits, two-piece that is. . . . .Neta Scranton now owns and operates her own skating rink; known as "Scranton's Skater's Haven". . . . .Oh! The mystic thoughts of vision are coming in faster and thicker with each fleeting moment. Barbara Shively is writing books too. We see her autographing her latest "How to Go Steady in Three Easy Lessons". . . . .Neal Shull is operating his own gas station known as "Shull's Shell Service". . . . .Pat Sowers, we hear has taken over her dad's job and is now driving a Mifflin school bus. . . . .We didn't see much of Jack Lewis and Jim Hart as they were busy giving a lecture on sportsmanship at a football clinic. . . . . We saw Barbara Hickman farther on giving out free travel folders at a TWA exhibit. . . . .At the next booth we saw Mary Hughes, Betty and Peggy Whetnall warming up their South American dance act, which, incidentally, we stayed to see. It was very interesting; at one point they actually sawed cocoanuts in two with their finger nails. . . . .Bertha Hull has been giving some very good pointers to her class of young girls with aspirations of becoming hula dancers, really things are beginning to swing. . . . .Next we saw Margie Largen (or at least that was her maiden name) helping her husband exhibit his wares; he makes squirrel rifles in Kentucky. . . . .At the next booth we saw Bob Leffler and Jim Ellcessor, the two clown princes of basketball giving humorous exhibitions of their wizardry with the little leather sphere. . . . .They had a good barker in the form of Milton Robinson. . . . .Ruth Steven's occupation's are coming in sorta foggy and mixed up, just too numerous to mention. . . . . Paul Stuart is in full production of his little brainstorm "The Fordsly" which is a Crosley body with a hopped Ford (60) engine, this engine puts out a horse power rating of 00+. (Amen) . . . . .The winds tell us that Linda Diltz is head doo-dad purchasing agent for Kresge's five and ten. . . . .Bonnie Girard is now defeating all oncomers for her "Ladies Championship Wrestling Crown," and after she reads this the editors will probably be crowned. . . . .Don Brooks after many years of scholastic training has received his D. D. degree "Doctor of Devilment". . . . .Shirley Van Dyne has really been making herself a name in the opera world, soap opera that is. . . . .Donna Hicks has her own T. V. show; one of them is how to do things entitled, "Donna's Dandy Kitchen" or "How to Cook for Jack". . . . .The preceding, and proceeding confusing as it may seem has and is subject matter of the mixed up brains of Morgan, Davidson and Co. . . . .Francis Nutt is in business for himself now a days, he runs his own slaughter house; he butchers only Black Angus cattle and the name of his company is "Francis's Fancy Meat's, Inc.". . . . .Robert Armstrong is making millions today in the cowboy motion picture business under the name of "Bubble Gun Bob". . . . .Barbara Holland and Barbara Hoyt have gone into the stock car racing world; Hoyt makes them run and Holland runs them. . . . .Ever hear of Lucky Strikes? La Verna Stonerock raises the tobacco that goes into that little cylinder of fine smoking. . . . .Ed Kessler holds a Masters Degree in about every science known to man; so he now thinks up his own to study. . . . .Don Gillotte now owns and operates "Gillotte's Garage." A complete engine soup up for $1.98. . . . .Last but not least is Roy Boyd, Head Carry Out for Alber's Super Market.

CALENDAR

SEPTEMBER
Here we are back in school ready to click
To learn about readin' ritin' and rithmetic.
The football team is raring to go
Cause what they've been practicing they're ready to show.
We had an assembly that gave us a scare
With Mr. Smith and his liquid air.
Well, that's about all to tell at a glance
But wait 'till next month and you'll hear about
the big dance.

OCTOBER
Our grades came out, as you probably know
Some kids were happy, and some said, "Oh No!"
The queen was crowned and the court was too
Boy! That was a happy evening, I'm telling you.
The Senior paper drive got under way
And we had a gay ole' time all that day.
Our boys need a scoreboard to mark up their points
So we had a skating party and broke half our joints.
All our football players' faces gleamed bright.
As they walked arm and arm with their mothers on
mother's night.
The Freshman initiation went off like a jet.
Thats one dance I'm sure they'll never forget.

NOVEMBER
O. K. kids light up your flares
We just had a banquet for the football players.
To follow the school fad we had a football night
in honor of the dads.
The Senior Harvest Hop came into a swing
With lots of fun, and even a queen!
We had a Thanksgiving assembly you know.
Led by our very own "Brother Joe."

DECEMBER
Whats all the whispering about?
The Freshman's dance no doubt.
And whats this we hear about a skating party?
Boy! Those Freshman sure are hardy.
"Black Arrow" was the name of the movie
After we saw it, we thought it was real groovie.
A Junior assembly you say?
Gee no lessons! Saved for the day.
At the Christmas program, hearts were gay
No one will forget that wonderful day.

JANUARY
A skating party was sponsored by the Tri-Hi-Y
All the kids went to give it a try.
The Junior's had fun at the dance they put on
And everyone who went was glad they had gone.

FEBRUARY

Give your favorite sweetheart a call
So you can bring her to the Valentine Ball.
The Sophomore's were really congratulated
For at that dance everyone was belated.
Now, its the G. A. A.'s turn to sponsor a skate
Everyone went and brought a date.
The movie was good this month too.
Everyone liked it, now didn't you?

MARCH

Whats all this talk we hear?
The Senior square dance must be here.
And on top of that the Junior paper drive
was at its peak.
Yes-sir-ee, it was the talk of the week
Hey kids! What do you think?
The Hi-Y sponsored a skating party at
Smith's rink.
Thats all the news for this month's session
But wait 'til next month, thats when we'll
have you guessin'.

APRIL

Schools out! Yea!
Don't you believe it, 'cause it's only April
fools day.
The banner went up for the Junior play.
It sure was good, I'm glad to say
This month the skating party was for the
Sophomore's.
We really did have fun. (Even though some
did mop up the floors.)

MAY

This is the happy month for the Senior's one and all.
You know they won't be back with us next fall.
The Junior-Senior banquet is the top of the news
Especially for the Senior's, whom we hate to
lose.
The teachers weren't able to have their say.
Because this month we had Senior day.
Another memorable day we shall never forget
Is May 23, which was baccalaureate.
The Spring Formal was a dance to remember
Especially for the girls who were dressed in
their splendor.
The Senior picnic sure went off neat
Remember that food? Boy! did we ever eat!
Commencement on the 25th was the end of our trial
Thats one day we'll not forget for quite
awhile.
Our caps and gowns of blue and white
Sure stood out that glorious night.
Well kids nows the time we have to part,
but dear old Mifflin will always have a place
in our hearts.

FOOTBALL

The "Mifflin Cowpunchers" opened up their season looking very impressive against Reynoldsburg in the preview losing out 7 to 0 with three seconds to go. Then came Upper Sandusky, a very out-class Mifflin eleven fought hard but they were just too much for them. Mifflin's team really didn't get started again until the New Albany game which they tied 7 to 7. The best game of the year for the Mifflin Squad was the Dublin game. Mifflin led till the third quarter 13 to 12, then in the final quarter the hard fighting Cowpunchers lost out on a bad call by the referee and an intercepted pass. The small Mifflin team played as hard as they knew how the whole season, but the lack of depth in positions went against them. Mifflin losing only four seniors should comeback strong in 1954.

Mifflin placed two players on the "All County" football team. They were Co-Captain, Jack Lewis, "All County" defensive guard and Jim Hart, "All County" defensive tackle.

BASKETBALL 1953-1954

The Mifflin Cowpunchers opened their basketball season at Commercial Point losing out 49 to 46. Then came the first County League game with Gahanna, they fought very hard but dropped the decision to Gahanna by a 49 to 47 score. Then fooling everyone they knocked off Canal Winchester in a real thriller beating them 65 to 64. Mifflin won their next two games by a good margin. Then came the turning point, Reynoldsburg knocked Mifflin out of the top by a 66 to 53 defeat. The rest of the way the team lost a few and won a few. Capt. Bob Leffler and Jim Ellcessor are the only two seniors on the Mifflin squad. The team having a lot of lettermen returning and also a lot of talent from the reserve team should give all the County League teams trouble, in their season of 1954-1955.

RESERVE BASKETBALL TEAM

FIRST ROW: M. Lannon, D. Kessler, D. Fisher, T. Musgrave, S. Thomas, G. Lamotta, B. Hedges, J. Schelppi, P. Theubald. SECOND ROW: T. Benadum, Reserve Coach, J. Dodrill, T. Edgar, P. Brandstool, J. Brodt, G. White, D. Gallaway, B. Heatherly.

RESERVE BASKETBALL 1953- 1954

The reserve team was one of the top contenders for top honors in the reserve league. Winning most of their games by one or two points. These boys will give varsity Coach Sam Barrett a lot of talent to work with in the next two seasons. The reserve team used the platoon system having enough talent to make up two good teams. This was used very effective by reserve Coach Ted Benadum. These tall and fast boys should help to improve the varsity very much. They were able to capture the reserve title by nosing out a fine Dublin reserve team by one game.

BASEBALL PLAYERS

FIRST ROW: A. Watson. SECOND ROW: B. Clay, J. Lewis, L. King. THIRD ROW: T. Musgrave, L. Frazier, B. Wilson, D. McCaughey, B. Headges, R. Backer. FOURTH ROW: D. Harmon, B. Barteleson, J. Wolfel, P Hosington.

BASEBALL

With the doing away with the county baseball league Mifflin's baseball squad had to play teams from other leagues, but only playing county league teams in the tournaments. The Mifflin team played about nine games ending the season by playing Groveport and Canal Winchester, in the tournaments, coming up on the short end of both games. The baseball team played this schedule with about three practices. Consequently, they made all their errors in the games where they normally should have been making them in practice. The lack of practice was due to bad weather.
